Our English breakfast

The breakfast is perfect. We have got toast for  
breakfast. I drink orange juice for this breakfast.

I like toast and butter, but I don't like egg and  
ham. I don't drink tea and hot chocolate.

The sausages are perfect.

In our English breakfast we eat baked beans with  
toast.

Then our cooks make ham and eggs.

At the end we get sausages.

For drinking we have orange juice, tea and hot  
chocolate.

All of us enjoy our English breakfast.
