

Pizza restaurant

In our pizza restaurant there were four tables and a kitchen. At first we went into the restaurant and ordered drinks. In our group Eva was the waitress and Kara was the chef. Then all of us ordered the pizzas and Eva brought the pizza to the table. Then we ordered the dessert and then the lesson was over. We found the pizza restaurant was very good!

Our pizza restaurant

First I was the waiter. Then I was a guest. On Thursday the seventh of March we ate pizza in our classroom. We ordered pizza from a real pizza restaurant and then we brought corn, tuna, olives and many other things.

Story of our pizza restaurant

The restaurant was good, we ordered pizza and it came after 15 minutes. It was very loud, because it was a small restaurant. The pizza was very good! The drinks and desserts were also good. We sat next to the window between two tables. The kitchen was small with lots of foods and drinks. The menu was beautiful. We played memory while we were waiting for the pizza. It was strange that the waiter and the chef sat on our table.

Our Pizza restaurant

When we went to the restaurant, they were really friendly. There were so many people and we took a seat near the window. The waitress came to us and asked us what we wanted to drink. When the drinks arrived, she asked us what we wanted to eat. The food came very quickly and we enjoyed the meal.

The Pizza Restaurant

In the beginning we made our classroom into a pizza restaurant. We made a kitchen with 4 tables. Then the janitor brought us the pizza. After that we ordered the pizza. The kids in the kitchen put ham, corn, pepper, olives or salami on the pizza. The pizza was good. For dessert we had a brownie and an apple pie. It was fun.

The Pizza Restaurant

The pizza restaurant was very good. I liked the pizza with onion and ham. It was delicious. Jonas picked the pizza with corn, and no garlic, but he got a garlic pizza with corn. He was very angry. The waiter traded the garlic pizza with a normal corn pizza and then gave the right one. They had apple juice, orange juice and berry sirup. Jonas picked the orange juice and I wanted the berry sirup.

I rate the pizza restaurant 4 of 5 stars and Jonas gave it 3 of 5 stars.
